

# PROBIOTICS RESOURCE CENTER

## Theater Schedule

### Speakers Bio & Abstract

**DAY 2**

*Thursday November 3, 2022*

**3:30–4:10**

*Susan Hewlings, PhD, RD  
Director, Scientific Affairs*

#### **Bios**

Dr. Hewlings brings over 20 years in nutrition, sports nutrition and scientific consulting for the dietary supplement and medical industries. As Director of Scientific Affairs, Dr. Hewlings oversees scientific and nutrition projects for the dietary supplement, food, beverage and companion animal nutrition industries to help companies substantiate claims. She is the author of Nutrition: Real People, Real Choices and has published multiple articles on dietary supplements, pharmacokinetics, and nutrition in peer-reviewed medical journals. She recently earned a graduate certificate in Cannabis Science from the University of Vermont Medical School.

#### **Company**

Nutrasource is a leading nutraceutical and pharmaceutical life sciences company that brings together the strategy, expertise and services required to help clients commercialize health and wellness products with strong science and regulatory confidence. Our unique offering of clinical trial management, strategy and regulatory support services along with a state-of-the-art clinical trial site has been developed with one goal in mind: your success in the marketplace. We also offer a series of third-party certification programs focused on natural health ingredients such as omega-3s (IFOS™), probiotics (IPRO™), non-GMO (IGEN™), and CBD (ICAP™).
